

Resetting 2016 Goals

Sometimes we set out to achieve things in January that we no longer want/need later in the year. By removing those items from our goals, we give ourselves permission to not achieve them. This also allows us to focus on achieving what we really DO want to achieve before the end of the year. Use the form below as a guide for what you want to achieve in each area of your life by the end of 2016.
